

10 GUN CUTTER

Optional flag: cut from paper.
Secure with white glue.
Curl with scissors.

Top Mast 4" (1/8")
Top Spar 3 5/8" (1/8")
Overlap 1"
Mid Spar 4 1/16" (1/8")

Deck arrangement from overhead. Note: the bow boom is offset to the left but the detail behind it is centered. Also note gun positions.

Tiller 5/8" (1/8" suggest tapering for realism)

Bottom Spar 5" (1/8")

This detail was changed from the pre-production version from the sail winch (pictured below/not included) to the one pictured in the overhead layout (above). The original piece is available by special order from Sea Dog Game Studios.

Bottom Mast 6 1/4" (3/16")

Bottom Boom 5 1/4" (1/8")

Boom 5" (1/8")

Mast seat. Can be drilled out deeper for a more secure fit.
